GRANDVIEW YMCA
SUMMER CAMP 2023 GUIDE

▶▶▶ Mission Statement

Our mission is to put Judeo-Christian principles into practice through programs that build a healthy spirit, mind, and body for all.

The Grandview Family YMCA Summer Day Camp offers an invaluable experience for children who have completed Kindergarten – 10th grade, helping them to unplug from the age of technology by stepping out into nature for a time of exploration. With the help of an excited staff, children gain the confidence to make friends and grow as individuals as they embark upon Summer 2023 and make memories that will last forever.

This action-packed summer day camp and outdoor experience is led by highly trained and imaginative YMCA staff and is located on 190 wooded acres with two beautiful lakes. As a Day Camp, our facilities are unmatched; a water park, lap pool, airnasium, fishing pond, athletic fields, hiking trails, mud pit, ga-ga pits, archery range, art and game room, and a gymnasium. All activities are led by qualified counselors to teach each child new skills for the best experience possible. Daily devotionals, YMCA certified swim lessons, and nature education are part of how the Grandview Family YMCA strives to fulfill the YMCA's mission of helping each child to grow in spirit, mind, and body. Let your kids come and be molded by the 4 YMCA character traits of Honesty, Caring, Respect, and Responsibility.

MEET YOUR DIRECTOR! ◀◀◀

Hi Everyone!!

My name is Chelbi Hegler and I am the Grandview YMCA Childcare Director! While I am new to the position, I am not new to the Grandview YMCA. My YMCA career started in 2012 when I was hired as a Summer Day Camp Counselor and then later moved in to a full-time role as the Membership Director. While I loved that position, my heart still belonged to childcare. I am super excited for Summer 2023! My main focus besides safety, is to make sure our kids stay active and involved, while having fun making new friends and memories! See you soon!!
