

# FAQS

## HEALTH & SAFETY

YMCA Camp Chandler is committed to the health and safety of all our guests. Our mission is to deliver a world-class experience while ensuring a secure environment for everyone. Camp Chandler features a Medical Hut, and campers will have access to an onsite nurse throughout their stay.

## WHO ARE THE CAMP COUNSELORS?

Many camp counselors return year-after-year, providing great continuity for campers & parents. The success of the camping experience hinges on the positive relationship between the camper & the counselor. YMCA counselors undergo careful screening, background checks, and are selected for their high moral character, maturity, experience, and specific camping skills. Camp provides a 1:6 staff to camper ratio in order to provide ample supervision. Follow along with us on social media as we introduce our camp counselors leading up to camp!

## WHERE DO CAMPERS EAT AND LIVE?

Campers are grouped by age and gender and placed with carefully selected counselors. All stay in small, comfortable, rustic cabins complete with built-in bunk beds and air-conditioning. Cabins accommodate up to 12 campers and four counselors, with centrally located bathhouses.

## HOW CAN I COMMUNICATE WITH MY CAMPER?

To help campers fully enjoy their experience, phones are strictly prohibited. You can send bunk notes to overnight campers, and we share daily photos on Facebook and Bunk1. Note that not all photos will be posted to Facebook. For Bunk1 login information, please check our FAQ page.
