CAMP GRANDVIEW: A SUMMER OF FUN!

The Grandview Family YMCA Summer Day Camp offers an invaluable experience for children who are entering 1st – 10th grades, helping them to unplug from the age of technology by stepping out into nature for a time of exploration. With the help of an excited staff, children gain the confidence to make friends and grow as individuals as they embark upon Summer 2026 and make memories that will last forever.

Grandview Family YMCA Summer Day Camp is an action-packed outdoor experience led by highly trained and imaginative YMCA staff, located on 190 wooded acres with two beautiful lakes. As a Day Camp, our facilities are unmatched; a water park, lap pool, an airnasium, fishing pond, athletic fields, hiking trails, mud pit, gaga pits, an archery range, and a gymnasium all led by qualified counselors to teach each child new skills for the best experience possible. Daily devotionals, YMCA certified swim lessons, and nature education are part of how the Grandview Family YMCA strives to fulfill the YMCA's mission of helping each child to grow in spirit, mind, and body. Let your kids come and be molded by the 4 YMCA character traits of Honesty, Caring, Respect, and Responsibility.

MEET YOUR DIRECTOR!

Hello! My name is Emily Jacobo, and I'm honored to serve as the Childcare Director at the Grandview YMCA. With a degree in Early Childhood and Elementary Education, I've always been passionate about nurturing young minds and creating spaces where children can grow, learn, and thrive.

My YMCA journey began many years ago—as a camper! Since then, I've had the opportunity to serve in several roles, including counselor, assistant director, and even a camp mom. Each role has helped shape my approach to leadership and deepened my commitment to our mission.

This summer marks my third year as the Camp Director, and I couldn't be more excited. As both an educator and a parent of three children who actively participate in our programs, I bring a unique perspective to everything we do. I understand how important it is for families to feel confident in the care their children receive, and I strive every day to create a camp environment that is safe, engaging, and full of opportunities for growth.

I look forward to getting to know you and your family and to making this summer at Grandview YMCA one to remember!

FAQS

WHO IS WATCHING MY CHILD?

The Grandview Family YMCA feels as though we have the best camp counselors in the River Region! Our camp counselors are just as eager about camp each summer as your child is! We have a very diverse group of counselors who come from all over the River Region. Most of our camp counselors grew up at Camp Grandview and have such a strong passion for the organization that they desire to come back as a counselor to mentor your children! All our camp counselors are at least 16 years old. Each are given a strenuous situational interview, experience roughly 40 hours of training, are given a criminal background check, and references are checked before they are ever placed in charge of any children or activity at camp. We do everything to make sure your children will be safe in the hands of our camp counselors. Most importantly, our camp counselors are people who have a strong passion for children, and they want to spend their summer playing, teaching, and working with your children.

HOW MANY CAMP COUNSELORS WILL BE WATCHING MY CHILD?

There will always be 2-4 camp counselors with each group!

MY CHILD LOVES HIS/HER COUNSELOR. CAN HE/SHE BABYSIT FOR OUR FAMILY?

Although Y-Camp Counselors work well with children, our policy states that our staff (while they are employees of the YMCA) are not permitted to babysit for families involved in our YMCA programs.

WHAT IF MY CHILD BECOMES ILL WHILE AT CAMP?

If your child becomes ill while at day camp, our staff will contact you to pick him/her up. Camp is not designed to handle ill children, so it is important to tend to your child in a timely manner. If children come to a Y program when they are not feeling well, they will be more vulnerable to infection. It is in the best interest of your child and of the other people at the YMCA to keep your child at home when he/she is ill. Children need to be well to be able to participate actively in the program. However, the YMCA recognizes that in some cases children who are not contagious will attend the program when they are not functioning at their best.

ZERO TOLERANCE POLICY

Grandview YMCA Day Camp has a zero-tolerance policy for serious behavior infractions since our goal is to provide a healthy, safe, and fun environment for every camper. Inappropriate behavior or serious disciplinary infractions are grounds for immediate removal from camp for the remainder of the current day and additional days as deemed necessary by camp staff. Each incident will be considered on a case-by-case basis to determine if the child is capable of functioning in a group setting while at camp. Serious behaviors that may result in immediate Camp Suspension or Expulsion: If a child is removed from camp, no refunds will be given.

DAY CAMP REGISTRATION/ CANCELLATION POLICY

Complete the registration application and submit it to the Grandview Family YMCA. A new enrollment form is due for each program every year. Space is limited, so register early! A \$20 per week non-refundable deposit is due at the time of registration. All remaining fees must be paid by automatic draft. Camps are registered only by weekly sessions. If your child is not registered, they will not be allowed to be dropped off or allowed to stay. To ensure proper staffing, supplies, and planning for your child's camp experience, we've updated our cancellation policy: Automatic drafts are processed on Friday mornings for the following week of camp. If you need to cancel a week of camp, you must do so by the end of business (7:00 PM) the Friday before the draft is scheduled. (1 week in advance of draft).

FINANCIAL ASSISTANCE

The YMCA believes in serving the entire community regardless of ability to pay the full membership or program fee. The YMCA's Annual Support Campaign provides funding to keep our doors open to everyone. Financial assistance forms are available at the Grandview Family YMCA. All assistance is on a first come-first serve need basis and is kept confidential. The schedule for Summer Financial Aid is as follows:

- **Deadline to apply for Summer Financial Assistance is February 15, 2026**
- **Scholarship award e-mails will be sent out no later than March 1, 2026**
- **Registration for Summer Day Camp with scholarship must be made by March 15, 2026 (pending availability).**

Our mission is to put Judeo-Christian principles into practice through programs that build a healthy spirit, mind, and body for all.
