

Update in NSF Returns Policy

Effective February 1, 2019, YMCA of Greater Montgomery will be introducing a new automated service to help manage payment returns. As part of this automated service, a return fee of \$30.00 will be added on open balances from scheduled credit card payments that decline for insufficient funds. Two additional attempts will be made automatically to recover the original balance and return fee. No additional return fees will be added to your account for additional returns on the same item.

Failure to resolve these balances can result in suspension of membership until the balance is paid. For any questions regarding this new policy please reach out to your home branch for further information.

Thank you,
