**2–3 PM on the Sunday of your child's session.** No early arrivals, please. Please make arrangements in advance if you plan to arrive later than 3:00PM. Camp staff will be present directing you to registration which will take place in the indoor chapel. Please have any remaining paperwork and all medications necessary for your child when you enter the chapel for check-in. Be sure to leave all luggage in the car; you will be able to drive your child and his or her belongings to the cabin. **Remember, check-in will move smoother and faster if camper forms are turned into the camp office ahead of time.**

#### Camp Fever and Health Screening Policy

One step we take to keep camp healthy and safe is to screen each person that comes to overnight camp. All campers will have their temperature taken at check-in by our medical staff. Campers with a fever, designated at 100.5°F or higher, will not be allowed to begin their camp experience at that time. Campers must be fever free for 48 hours before returning to camp. This very necessary step is taken to ensure all campers are given an opportunity to experience a healthy and safe summer camp.

#### Check-Out & Closing Ceremony

**Check-Out will begin at 4:15 PM and last until the Closing Ceremony starts at 5 PM on the Friday of your child's session.**

The awards ceremony and slideshow presentation is a very special time for your campers and we strongly encourage you to attend. Parents will sign their child out and pick up any medications at the Check-out table. Parents and families with campers in our Wrangler program will need to arrive at the Chandler Corral no later than 4 PM for a horse show. Parents and families of Extreme campers will need to arrive at camp no later than 4 PM for a high ropes demonstration. The awards ceremony and slideshow will begin at exactly 5 PM in the Dining Hall. After the ceremony, campers and parents can load belongings.

**IMPORTANT NOTE** – A driver's license or other photo identification is required before leaving the premises with your camper.

### Keeping In Touch

#### Mail & Packages

We all enjoy opening the mailbox to see a personal letter from a friend or family member, and your child is no different. An encouraging note from Mom or Dad or a package of goodies to share with the cabin from Grandma and Grandpa is sure to add some excitement to the day.

**To cut down on lost mail All mail must be turned in at Check-In this summer.**

If you would like your child to send letters home, it is a good idea to send pre-stamped and pre-addressed envelopes along with pencil and paper.

#### Telephone

Some parents may wish to speak with their child during the session, but we do not allow campers to receive or place phone calls while at camp. Feel free to call our office if you have any questions or concerns. Parents can call the camp director at (334)538-4658 to check on their child. Any message that needs to be given to campers will be done through our directors. **Cell phones are strictly prohibited.** Please do not send them with your child.

#### Emergencies

If an emergency should occur and you need to get in touch with one of our directors, please call (334)538-4658. We will notify parents immediately if any emergency occurs with your child while at camp.

#### Camp Store

We provide a variety of snacks including granola bars, chips, crackers, candy, soda and water. Your child's store money is already included in his or her camp tuition. Each child will receive a drink and a snack daily at their store visits.

#### Email

Campers can receive email messages sent via Bunk1.com. Log into Bunk1 through the camp website by clicking on the camper email and photo banner on the main page. Parents must register for this service the first time and use the code given out at check-in. Emails are compiled at 2am and distributed at Lunch each day, **Monday through Thursday.**

#### Photos

This is a great way to see your child having a fun time at camp! Photos can be accessed through Bunk1.com. Pictures are uploaded to Bunk1 each evening and can be viewed by parents registered with Bunk1 using the camp-distributed pre-approval code. Be sure to take home our Bunk1 info sheet from check-in. A slideshow of your child's adventure at camp will be showcased at our awards ceremony. You will be given the opportunity to order these \$10 DVD's at check-out.

Questions regarding Bunk1 services while your child is at camp can be directed to Bunk1 at (800)216-9472.

#### Visitation

Because your child's safety is our utmost concern, we do not allow visitors into our camp. Once you say goodbye on Sunday, your camper is going to have an experience they will always cherish. You can hear all about it from your camper when you pick them up Saturday!

#### Camp Infirmary

We strive to make sure your child's camp experience is accident and illness free. Should either of these occur, you can feel confident in placing your child under our care and supervision. Staff at Camp Chandler are first aid and CPR certified. All medications must be checked in at registration. We ask that you please send only the amount of medicine needed during your child's stay. All medications must be in the original container in order to be dispensed by our staff. Non-prescription drugs will require a parent, guardian, or individual physician's signature. Bring any medications and detailed instructions for our staff with you to the check-in table. Don't forget to retrieve your child's medication at check-out.

## Choice Activity Sign-Up

On the Monday of your child's session their cabin will be guided around camp by their counselor who will take them to participate in: Archery, Riflery, Canoeing, Arts and Crafts, Boat Rides, and Horseback. This gives every child a sample of what Camp Chandler has to offer.

In addition, each child will have the opportunity to participate in several activities with their cabin during the week. These include: water balloon wars, sports and games, banana boat, war canoe, hiking, team building, arts and crafts, and many more. The cabin will pick one cabin activity each day.

### Choice Activities

Choice activities allow your campers to decide some of the activities they will participate in while attending camp. They will attend four of their chosen activities for four days - with the exception of Wranglers, Extreme, SkiVenture, and Pioneers which will have two choice activities and two periods of specialty camp sessions. These activities will be taught in a progressive and educational manner focusing on skill development and, of course, fun. In order to make sure the campers get their top choice activities we are asking you and your child to work together and rank your child's preferences on this form.

## YMCA of Greater Montgomery Staff Code of Conduct

1. In order to protect YMCA staff, volunteers and program participants, at no time during a YMCA program may a staff person be alone with a single child where they cannot be observed by others. As staff supervise children they should space themselves in such a way that other staff can see them.
2. Staff shall never leave a child unsupervised.
3. Restroom supervision: Staff will make sure the restroom is not occupied by suspicious or unknown individuals before allowing children to use the facilities. Staff will stand in the doorway of the restroom while children are using the restroom. This policy allows privacy for the children and protection for the staff (not being alone with a child). If staff are assisting younger children, doors to the facility must remain open. No child, regardless of age, should ever enter a bathroom alone on a field trip. Always send children in pairs, and whenever possible, with staff.
4. Staff should conduct or supervise private activities in pairs—diapering, putting on bathing suits, taking showers, etc. When this is not feasible, staff should be positioned so that they are visible to others.
5. Staff shall not abuse any YMCA participant, child, volunteer or staff member including: physical abuse (to strike, spank shake, or slap); verbal abuse (to humiliate, degrade, or threaten); sexual abuse (to inappropriately touch or speak); mental abuse (to shame, withhold kindness, or be cruel); neglect (to withhold food, water, basic care, etc.). Any type of abuse will not be tolerated and may be cause for immediate dismissal.
6. Staff must use positive techniques of guidance, including redirection, positive reinforcement, and encouragement rather than competition, comparison and criticism. Staff will have age-appropriate expectations and set up guidelines and environments that minimize the need for discipline. Physical restraint is used only in pre-determined situations (necessary to protect the child or other children from harm), is only administered in a prescribed manner, and must be documented in writing.
7. Staff will observe and report to immediate supervisor any fever, bumps, bruises, burns, etc. Questions or comments will be addressed to the parent or child in a non-threatening way. Any questionable marks or responses will be documented. ALL REPORTS ARE TO BE CONFIDENTIAL.
8. Staff will respond to children with respect and consideration and treat all children equally regardless of sex, race, religion or culture.
9. Staff will respect children's rights to not be touched in ways that make them feel uncomfortable, and their right to say no. Other than diapering, children are not to be touched on areas of their bodies that would be covered by a bathing suit.
10. Staff will refrain from intimate displays of affection towards others in the presence of children, parents and staff.
11. While the YMCA does not discriminate against an individual's lifestyle, it does require that in the performance of their job, they will abide by the standards of conduct set forth by the YMCA.
12. Staff must appear clean, neat and appropriately attired.
13. Using, possessing or being under the influence of alcohol or illegal drugs during working hours is prohibited. Using illegal drugs at any time is prohibited.
14. Smoking or use of tobacco in the presence of children or parents on YMCA property or while participating in a YMCA program is prohibited.
15. Profanity, inappropriate jokes, sharing intimate details of one's personal life, and any kind of harassment in the presence of children, parents, or any other staff is prohibited.
16. Staff must be free of physical and psychological conditions that might adversely affect the children's physical or mental health. If in doubt, an expert should be consulted.
17. Staff will portray a positive role model for youth by maintaining an attitude of respect, loyalty, patience, courtesy, tact and maturity.
18. Staff may not be alone with children they meet in YMCA programs outside of the YMCA. This includes babysitting, sleep overs, and inviting children to your home. Any exceptions require a written explanation before the fact and are subject to administrator approval.
19. Staff are not to transport children in their own vehicles.
20. Under no circumstances should staff release children to anyone other than the authorized parent, guardian, or other adult authorized by the parent or guardian (written parent authorization on file with the YMCA).
21. Staff are required to read and sign all policies related to identifying, documenting, and reporting child abuse and attend training on the subject as instructed by a supervisor.
22. Staff will act in a caring, honest, respectful, and responsible manner.
23. Any and all infractions and violations of this policy should be reported to the Branch Director or the General Director.

I understand that it is my responsibility as a parent to monitor the actions of the staff and will bring any behavior that is inconsistent with the staff code of conduct to the attention of someone in authority at the YMCA.
