Important Information for this Summer

DIRECTIONS

From **I-65** merge onto the Northern Blvd via Exit 173 toward US-231. Take US-231 N ramp toward Wetumpka (left). Follow US-231 N all the way into Wetumpka. This is approximately 17 miles. You will pass Tutwiler Prison which will be to your right. From Tutwiler you will drive approximately 2 miles. If the road becomes 2 lanes, then you have gone too far. You will see a sign for Swayback Bridge Trail, Jordan Dam, and for YMCA Camp Chandler directing you to take a left (Bryson Veterinary Clinic is on the right). Take this left onto Old Hwy 231. Continue straight until you come to the fork in the road. There will be signs again for the Swayback Trail and Camp Chandler directing you to veer left onto Jordan Dam Road. Take that left and follow this road straight to Camp Chandler.

If coming from **I-85 S**, take the Eastern Blvd exit, Exit 6. Turn onto US-231 North. Continue to follow US-231 N and take the US-231 N ramp toward Wetumpka. From US-231 N follow the same directions given above.

EXPECTATIONS

We want each LIT to get the most out of this summer. Having a good attitude and an open mind is key to having a successful time at camp. LITs can expect to learn a lot and have tons of fun. We will be teaching the LITs about becoming a camp counselor, facilitating camp activities, cleaning and maintenance duties, how to become a leader and how to be confidence in themselves while serving others.

CHECK-IN

2–3 PM on the Sunday of your child’s session.

No early arrivals, please. Please make arrangements in advance if you plan to arrive later than 3:00PM. Camp staff will be present directing you to registration which will take place on the Council House Porch at Rotary Hall. Please have any remaining paperwork and all medications necessary for your child when you enter the chapel for check-in. Remember, check-in will move smoother and faster if camper forms are turned into the camp office ahead of time.

Camp Fever and Health Screening Policy

One step that we take to keep camp healthy and safe is to screen each person that comes to overnight camp. All campers will have their temperature taken at check-in by our medical staff. Campers with a fever, designated at 100.5°F or higher, will not be allowed to begin their camp experience at that time. Campers must be fever free for 48 hours before returning to camp. This very necessary step is taken to ensure that all campers are given an opportunity to experience a healthy and safe summer camp.

CHECK-OUT

Check-Out will begin at 4:15 PM and last until the Closing Ceremony starts at 5 PM on the last Friday of your child’s session.

Campers and parents can load belongings before (time permitting) and after the ceremony.

The awards ceremony and slideshow presentation at 5:00 PM is a very special time for your campers and we strongly encourage you to attend. Parents will sign their child out and pick up any medications at the Check-out table. Don’t forget to check the Lost and Found tables and turn in your completed Evaluation form!

IMPORTANT NOTE – A driver’s license or other photo identification is required before leaving the premises with your camper.

Keeping In Touch

MAIL & PACKAGES

We all enjoy opening the mailbox to see a personal letter from a friend or family member, and your child is no different. An encouraging note from Mom or Dad or a package of goodies to share with the cabin from Grandma and Grandpa is sure to add some excitement to the day.

To cut down on lost mail All mail must be turned in at Check-In this summer.

If you would like your child to send letters home, it is a good idea to send pre-stamped and pre-addressed envelopes along with pencil and paper.

TELEPHONE

Some parents may wish to speak with their child during the session, but we do not allow campers to receive or place phone calls while at camp. Feel free to call our office if you have any questions or concerns. Parents can call the Senior Program Director at (334)313-1922 to check on their child. Any message that needs to be given to campers will be done through our directors. **Cell phones are strictly prohibited.** Please do not send them with your child.

EMERGENCIES

If an emergency should occur and you need to get in touch with one of our directors, please call (334) 313-1922. We will notify parents immediately if any emergency occurs with your child while at camp.

CAMP STORE

We provide a variety of snacks including granola bars, chips, crackers, candy, soda and water. Your child's store money is already included in his or her camp tuition. Each child will receive a drink and a snack daily at their store visits.

EMAIL

Campers can receive email messages sent via Bunk1.com. Log into Bunk1 through the camp website by clicking on the camper email and photo banner on the main page. Parents must register for this service the first time and use the code given out at check-in. Emails are compiled at 2am and distributed at Lunch each day, **Monday through Thursday.**

PHOTOS

This is a great way to see your child having a fun time at camp! Photos can be accessed through Bunk1.com. Pictures are uploaded to Bunk1 each evening and can be viewed by parents registered with Bunk1 using the camp-distributed pre-approval code. Be sure to take home our Bunk1 info sheet from check-in. Please note: due to the nature of the LIT program, there are quite fewer pictures of the LITs posted on Bunk1 during their stay as compared to the younger campers.

VISITATION

Because your child's safety is our utmost concern, we do not allow visitors into our camp. Please contact the Senior Program Director at (334) 313-1922 with any special circumstances.

CAMP INFIRMARY

We strive to make sure your child's camp experience is accident and illness free. Should either of these occur, you can feel confident in placing your child under our care and supervision. Staff at Camp Chandler are first aid and CPR certified. All medications must be checked in at registration. We ask that you please send only the amount of medicine needed during your child's stay. All medications must be in the original container in order to be dispensed by our staff. Non-prescription drugs will require a parent, guardian, or individual physician's signature. Bring any medications and detailed instructions for our staff with you to the check-in table. Don't forget to retrieve your child's medication at check-out.

Montgomery YMCA Staff Code of Conduct

1. In order to protect YMCA staff, volunteers and program participants, at no time during a YMCA program may a staff person be alone with a single child where they cannot be observed by others. As staff supervise children they should space themselves in such a way that other staff can see them.
2. Staff shall never leave a child unsupervised.
3. Restroom supervision: Staff will make sure the restroom is not occupied by suspicious or unknown individuals before allowing children to use the facilities. Staff will stand in the doorway of the restroom while children are using the restroom. This policy allows privacy for the children and protection for the staff (not being alone with a child). If staff are assisting younger children, doors to the facility must remain open. No child, regardless of age, should ever enter a bathroom alone on a field trip. Always send children in pairs, and whenever possible, with staff.
4. Staff should conduct or supervise private activities in pairs—diapering, putting on bathing suits, taking showers, etc. When this is not feasible, staff should be positioned so that they are visible to others.
5. Staff shall not abuse any YMCA participant, child, volunteer or staff member including: physical abuse (to strike, spank, shake, or slap); verbal abuse (to humiliate, degrade, or threaten); sexual abuse (to inappropriately touch or speak); mental abuse (to shame, withhold kindness, or be cruel); neglect (to withhold food, water, basic care, etc.). Any type of abuse will not be tolerated and may be cause for immediate dismissal.
6. Staff must use positive techniques of guidance, including redirection, positive reinforcement, and encouragement rather than competition, comparison and criticism. Staff will have age-appropriate expectations and set up guidelines and environments that minimize the need for discipline. Physical restraint is used only in pre-determined situations (necessary to protect the child or other children from harm), is only administered in a prescribed manner, and must be documented in writing.
7. Staff will observe and report to immediate supervisor any fever, bumps, bruises, burns, etc. Questions or comments will be addressed to the parent or child in a non-threatening way. Any questionable marks or responses will be documented. ALL REPORTS ARE TO BE CONFIDENTIAL.
8. Staff will respond to children with respect and consideration and treat all children equally regardless of sex, race, religion or culture.
9. Staff will respect children's rights to not be touched in ways that make them feel uncomfortable, and their right to say no. Other than diapering, children are not to be touched on areas of their bodies that would be covered by a bathing suit.
10. Staff will refrain from intimate displays of affection towards others in the presence of children, parents and staff.
11. While the YMCA does not discriminate against an individual's lifestyle, it does require that in the performance of their job, they will abide by the standards of conduct set forth by the YMCA.
12. Staff must appear clean, neat and appropriately attired.
13. Using, possessing or being under the influence of alcohol or illegal drugs during working hours is prohibited. Using illegal drugs at any time is prohibited.
14. Smoking or use of tobacco in the presence of children or parents on YMCA property or while participating in a YMCA program is prohibited.
15. Profanity, inappropriate jokes, sharing intimate details of one's personal life, and any kind of harassment in the presence of children, parents, or any other staff is prohibited.
16. Staff must be free of physical and psychological conditions that might adversely affect the children's physical or mental health. If in doubt, an expert should be consulted.
17. Staff will portray a positive role model for youth by maintaining an attitude of respect, loyalty, patience, courtesy, tact and maturity.
18. Staff may not be alone with children they meet in YMCA programs outside of the YMCA. This includes babysitting, sleep overs, and inviting children to your home. Any exceptions require a written explanation before the fact and are subject to administrator approval.
19. Staff are not to transport children in their own vehicles.
20. Under no circumstances should staff release children to anyone other than the authorized parent, guardian, or other adult authorized by the parent or guardian (written parent authorization on file with the YMCA).
21. Staff are required to read and sign all policies related to identifying, documenting, and reporting child abuse and attend training on the subject as instructed by a supervisor.
22. Staff will act in a caring, honest, respectful, and responsible manner.
23. Any and all infractions and violations of this policy should be reported to the Branch Director or the General Director.

I understand that it is my responsibility as a parent to monitor the actions of the staff and will bring any behavior that is inconsistent with the staff code of conduct to the attention of someone in authority at the YMCA.
