### -Camper Policies & Rules-

#### **Discipline Policy:**

Our first goal as a staff is to prevent behavioral issues before they become a larger issue. Counselors take time to help campers get to know each other. Together they discuss expectations and appropriate behavior while developing cabin rules and consequences.

When campers exhibit behaviors which are not acceptable at camp, our staff are trained to execute steps in addressing mild, medium, high level, and zero tolerance behaviors. We do our best to execute restorative justice techniques when possible and take written reports to document, follow-up, and support all parties involved in the incident.

In more drastic cases, if it is not safe or logical to keep a camper at camp any longer, we will call the campers parent/ guardian to let them know that their camper's behavior prohibits them from remaining at camp. In this situation, the parent/ guardian will have to pick up the camper from camp within 2 hours. We will not provide refunds of any kind if your camper leaves camp early for not following camp rules.

While dismissal from camp is rare, it can and has happened. It is a very difficult situation for the camper, the family, and our camp staff.

Some Examples of High-Level Behaviors or Conflicts and Zero Tolerance Behaviors, Which Could Lead to Removal From Camp:

Persistently exhibiting misbehaviors of any level with no positive behavior change.

Breaking the terms of the behavior contract.

Bullying or making the space unsafe for other campers/staff in any way.

High level of disrespectful behavior, such as cursing out a camper/staff or making fun of someone for their personality, possessions, race, gender, body, ability, economic status, etc.

Touching others without consent on purpose or repeatedly.

Emotionally or mentally hysterical/inconsolable beyond what camp staff are equipped to address.

Stealing

Zero Tolerance Behaviors- (Will lead to immediate dismissal from camp):

Suicidal or a danger to themselves or others.

Purposeful property damage

Bringing/doing drugs, alcohol, illegal or illicit substances or items at camp.

Physical fighting or the threat of physical harm to others.

Harassment of any kind!

Other instances as determined by the director.

Search and Seizure In the event that staff members suspects a camper has a prohibited, unsafe, or stolen item in their possession, a Director shall have the right to perform a search and seizure. The search will be performed in the presence of a director and at least one other staff witness. If a camper refuses the search, it is grounds for dismissal from camp. Please read over our Rules with your Camper and sign and date below stating that you understand these rules and the consequences if any of these rules are broken.

## Montgomery YMCA Staff Code of Conduct

- 1. In order to protect YMCA staff, volunteers and program participants, at no time during a YMCA program may a staff person be alone with a single child where they cannot be observed by others. As staff supervise children they should space themselves in such a way that other staff can see them.
- 2. Staff shall never leave a child unsupervised.
- 3. Restroom supervision: Staff will make sure the restroom is not occupied by suspicious or unknown individuals before allowing children to use the facilities. Staff will stand in the doorway of the restroom while children are using the restroom. This policy allows privacy for the children and protection for the staff (not being alone with a child). If staff are assisting younger children, doors to the facility must remain open. No child, regardless of age, should ever enter a bathroom alone on a field trip. Always send children in pairs, and whenever possible, with staff.
- 4. Staff should conduct or supervise private activities in pairs-diapering, putting on bathing suits, taking showers, etc. When this is not feasible, staff should be positioned so that they are visible to others.
- 5. Staff shall not abuse any YMCA participant, child, volunteer or staff member including: physical abuse (to strike, spank shake, or slap); verbal abuse (to humiliate, degrade, or threaten); sexual abuse (to inappropriately touch or speak); mental abuse (to shame, withhold kindness, or be cruel); neglect (to withhold food, water, basic care, etc.). Any type of abuse will not be tolerated and may be cause for immediate dismissal.
- 6. Staff must use positive techniques of guidance, including redirection, positive reinforcement, and encouragement rather than competition, comparison and criticism. Staff will have age-appropriate expectations and set up guidelines and environments that minimize the need for discipline. Physical restraint is used only in pre-determined situations (necessary to protect the child or other children from harm), is only administered in a prescribed manner, and must be documented in writing.
- 7. Staff will observe and report to immediate supervisor any fever, bumps, bruises, burns, etc. Questions or comments will be addressed to the parent or child in a non-threatening way. Any questionable marks or responses will be documented. ALL REPORTS ARE TO BE CONFIDENTIAL.
- 8. Staff will respond to children with respect and consideration and treat all children equally regardless of sex, race, religion or culture.
- 9. Staff will respect children's rights to not be touched in ways that make them feel uncomfortable, and their right to say no. Other than diapering, children are not to be touched on areas of their bodies that would be covered by a bathing suit.
- 10. Staff will refrain from intimate displays of affection towards others in the presence of children, parents and staff.
- 11. While the YMCA does not discriminate against an individual's lifestyle, it does require that in the performance of their job, they will abide by the standards of conduct set forth by the YMCA.
- 12. Staff must appear clean, neat and appropriately attired.
- 13. Using, possessing or being under the influence of alcohol or illegal drugs during working hours is prohibited. Using illegal drugs at any time is prohibited.
- 14. Smoking or use of tobacco in the presence of children or parents on YMCA property or while participating in a YMCA program is prohibited.
- 15. Profanity, inappropriate jokes, sharing intimate details of one's personal life, and any kind of harassment in the presence of children, parents, or any other staff is prohibited.
- 16. Staff must be free of physical and psychological conditions that might adversely affect the children's physical or mental health. If in doubt, an expert should be consulted.
- 17. Staff will portray a positive role model for youth by maintaining an attitude of respect, loyalty, patience, courtesy, tact and maturity.
- 18. Staff may not be alone with children they meet in YMCA programs outside of the YMCA. This includes babysitting, sleep overs, and inviting children to your home. Any exceptions require a written explanation before the fact and are subject to administrator approval.
- 19. Staff are not to transport children in their own vehicles.
- 20. Under no circumstances should staff release children to anyone other than the authorized parent, guardian, or other adult authorized by the parent or quardian (written parent authorization on file with the YMCA).
- 21. Staff are required to read and sign all policies related to identifying, documenting, and reporting child abuse and attend training on the subject as instructed by a supervisor.
- 22. Staff will act in a caring, honest, respectful, and responsible manner.
- 23. Any and all infractions and violations of this policy should be reported to the Branch Director or the General Director.

I understand that it is my responsibility as a parent to monitor the actions of the staff and
will bring any behavior that is inconsistent with the staff code of conduct to the attention of
someone in authority at the YMCA.
