

YMCA BARRACUDAS

SWIM TO WIN!

The Montgomery YMCA Barracudas has been the premier swim team in The River Region since 1978. We provide all youth the opportunity to participate in a year round competitive USA/YMCA Swimming sports team that is dedicated to building athletes who are committed, have strong character, and show great attitude. The Barracudas provide 4 different training programs (Bronze, Silver, Gold & Platinum) organized by age and skill level. We offer a Developmental Program, where new swimmers will learn the foundation of competitive swimming. Our coaches are in constant pursuit to aim in the development of physical fitness, self-esteem, and self discipline, which assist each swimmer in his/her personal goals and athletic potential. High School swimmers are welcome to join us for practice as part of our Varsity Program.

EVALUATION INFORMATION

- For swimmers 6 years and older
- Summer evaluations: August 19 - 22, 5:30 - 6:30pm
- Evaluations will take about 10 minutes each.
