

YMCA OF GREATER MONTGOMERY

FINANCIAL ASSISTANCE APPLICATION

The YMCA of Greater Montgomery is a nonprofit, health and human services organization committed to helping people reach their full potential in spirit, mind, and body. The Y recognizes that many children and families in our community would benefit from Y programs and services but may not be able to afford to participate. The Y's commitment to our community ensures that financial assistance is available to those who qualify. Our financial assistance is based on a sliding fee scale designed to fit each family's financial situation. Through the generosity of Y contributors, our goal is to have sufficient funds to ensure the Y remains available to all.

Thanks to the donors of our Annual Campaign, we are able to make the Y accessible through our Financial Assistance Program*. The YMCA of Greater Montgomery requires individuals to provide all requested information on the attached application, including income, family size, and necessary expenses, so that we can provide assistance in a fair and consistent manner. Scholarships are awarded on a first-come, first-served basis and are subject to available funds.

The Y also requires individuals to renew their application annually, or when requested, to keep information on their applications up to date. Based on a thorough review of the application, a Y staff member will determine financial assistance eligibility. You will be notified by telephone, mail, and/or e-mail if your application has been approved or if additional information is needed. Once your application is approved, you will be asked to attend a meeting where you will sign a payment agreement and pay the necessary registration fees.

ELIGIBILITY

Eligibility is determined by household income and number of qualified dependents. Assistance will be granted on the basis of financial need. All fees are to be kept confidential, as they are specific to individual and family circumstances. In order to qualify for financial assistance towards childcare, including the Early Childhood & Youth Development Center or Y Afterschool programs, all adults in the household must demonstrate employment or a status of full-time student or its equivalent. The Y believes that a strong sense of ownership and pride is developed if the financial assistance recipient contributes to the cost of their Y involvement. Therefore, all applicants will be required to pay a portion of program fees.

SPECIAL CIRCUMSTANCES

Each application and circumstance is independently reviewed. If you feel there are special circumstances that may be a factor in this decision, you may provide your written explanation and any supporting documentation with this application. While our branches and programs work together towards a common mission, eligibility for financial assistance may be specific to a program or location. Some information may be shared in confidence between decision-makers at our branches to ensure the most accurate review of your situation and programs that would most benefit your family.
