WELCOME!

Dear Parents: Thank you for selecting the YMCA of Greater Montgomery for your child's educational growth and development. We appreciate your interest in the YMCA and look forward to having you join our family! The YMCA of Greater Montgomery provides a safe and happy environment for your child that will stimulate physical, intellectual, social and, emotional growth. Our program offers full-day child care and are licensed by the Alabama Department of Human Resources. Our center uses the Pinnacle Curriculum for all ages. The YMCA Early Childhood staff are trained yearly to enhance their teaching skills and support the curriculum learning. We are proud of the teaching experience of our staff.

We encourage you to thoroughly read the Early Childhood Parent Handbook. It will answer the majority of your questions as well as provide an overview of our policies and procedures as well as our payment policy. You will be asked to sign and date that you have received and read our Parent Handbook on the admission packet. It should be noted that the admission paperwork applies to **ONLY** one center for which you want to attend.

We are available for any questions, concerns, or just to visit with us. Our contact information is below. Again, thank you for selecting the YMCA of Greater Montgomery.

Sincerely,

Executive Director and

Early Childhood Education Staff

(334)272-3390

ABOUT US

The YMCA is the nation’s leading nonprofit organization dedicated to strengthening communities through youth development, healthy living and social responsibility. The YMCA childcare program philosophy is to provide an enriching environment, giving children opportunities to develop naturally. We want to enrich the whole child: spirit, mind and body. At the YMCA, we provide opportunities for children to learn, hands-on, through age appropriate activities.

Our Vision:

Preparing youth to succeed and serve.

Our Values: Our values embrace the universal truths inherent in relationships with others - Respect, Responsibility, Caring and Honesty.

Our Mission: To put Christian principles into practice through programs that build healthy spirit, mind & body for all.

INFORMATION, QUESTIONS AND CONCERNS:

The YMCA of Greater Montgomery has an open door policy and any/all information, questions and concerns MUST be directed to the management team. Notification of operational procedure changes will be done in writing and given to all parents prior to the change. Parents can review and discuss with Senior Leadership any questions or concerns about policies or procedures of the childcare center.

CENTER DAYS OF OPERATION:

- The YMCA Early Childhood Program is open year-round, Monday through Friday from 7:00 a.m. until 6:00 p.m.

Early Closings and Full Day Closings:

May 26th, 2025: Memorial Day	February 17th, 2026: Staff Development
July 4th, 2025: 4 th of July	April 17th, 2026: Good Friday
September 1st, 2025: Labor Day	May 25th, 2026: Memorial Day
September 26th, 2025: Staff Development	July 4th, 2026: Independence Day
November 26th, 27th, & 28th, 2025: Thanksgiving	
December 24th & 25th, & 26th 2025: Christmas	
January 3 1st, 1st, & 2nd 2026: New Years Holiday	

Parent Conferences: September 26th, 2025 & February 17th, 2026

- Procedure changes will be posted in the Center as well as a written copy will be given to parents.
- The Center follows the MPS school closings for inclement weather.
- If the local school district closes early due to inclement weather, the center will notify you by telephone and ask that you pick up your child as soon as safely possible.
- If the local school district opens late, due to inclement weather, the center will communicate if there will be a delayed opening

CURRICULUM:

Our Early Childhood Program serves children ages 6 weeks to 4 years in our licensed full-day child care center. All of our classes use the Pinnacle Curriculum for all ages, which focuses on developmental and socialization skills. Children also learn letter and number recognition as well as literacy, math, science, social studies, and family involvement skills. Our goal is to have our children fully prepared to enter formal public school or Pre-K.

FINANCIAL ASSISTANCE:

The YMCA provides scholarship assistance to qualified families. Scholarships range from 10% to 50% off listed prices, depending on your household size and income. This is possible through our YMCA Annual Campaign.

Alabama Quality STARS

Alabama Quality STARS is a Quality Rating and Improvement System (QRIS) that assesses, improves, and communicates the quality of early care and education programs, awarding STAR ratings to licensed child care centers based on defined program standards.

REGISTRATION AND PAYMENTS

REGISTRATION AND ADMISSION:

A registration packet, registration/supply fee, a signed acknowledgment for the YMCA's Operational Policies, health statement from your child's physician, current copy of shot records, and a completed USDA application must be completed and returned before your child can begin attending our program. No child will be refused entrance to our program due to race, religion, or gender.

The first week's tuition must be paid before attendance. There is at least a 24-hour process for the registration & financial assistance paperwork. Your child's enrollment is on a probationary period of up to two weeks. During this probationary period, the YMCA will observe him/her in the program environment to assess if the needs of the child are being met.

As a parent/guardian, it is your responsibility to keep all records on your child up to date. This includes shot records, new phone numbers, and any/all pertinent information that has been given to the center regarding your child.

Current enrollees are guaranteed enrollment upon receiving a \$25 registration fee. New enrollees will be given an opportunity to reserve their space during our open enrollment period based on remaining availability.

PAYMENTS:

Tuition payments are due every Friday by automatic draft for the upcoming week, regardless of your child's attendance. A \$25.00 fee will be added to your weekly tuition if the draft is returned. *Failure to pay your weekly tuition and/or late fee on Tuesday morning will prevent you from dropping off your child on Wednesday morning and could result in termination of child care services until your fees are paid in full.

REFUND PROCEDURE:

All withdrawals from a YMCA program and/or refund requests must be made in writing. A full refund will be issued if a written cancellation is received at least 2 weeks prior to the start of the week of care. A written cancellation must be received 2 weeks in advance. The YMCA does not credit for missed days or closing due to weather.

DROP OFF TIME:

In order for your child to receive the most out of his/her education, all students must be dropped off by 9:00 a.m. with breakfast served at 8:00 a.m. Please know, if arriving after 8:30 am, breakfast will not be served. If arriving past 9:00 am, we ask for a doctor's note.

Please inform your teacher if your child will be late or absent in advance, if possible. Attendance is important for your child's routine and learning. After 2 weeks of non-attendance, children may be removed from the program if non-attendance is not communicated prior to the absences.

PICK UP PROCEDURES:

Parents and those adults authorized to pick up children, as noted on the registration form, will be required to sign the children out each day. Authorized persons will be required to show state approved identification and have their driver's license number recorded by a YMCA staff member on their first pick up. The information will be retained and kept on record for the school year. If an unauthorized person comes to pick up a child, the parent will be called for verification. The YMCA will not release a child without parent verification, proper identification from the individual picking up the child and a valid signature. We will also record the individual's driver's license number. This information will be recorded and retained in the child's records. No one under the age of 18 is allowed to pick up.

LATE PICK UP FEES:

Parents or guardians, who do not pick up their child by closing time of the center, will be charged a late fee of \$1.00 per minute after 6:00p.m. Fees will be drafted on the following week's tuition.

ACCIDENTS, ILLNESS & INCIDENTS

HEALTH CHECK INFORMATION:

The Y will conduct a health check upon arrival of your child to the program. A health check is defined as a visual or physical assessment of a child to identify potential concerns about a child's health, including signs or symptoms of illness and injury, in response to changes in the child's behavior since the last date of attendance. A visual health check will be conducted by the classroom teacher who is trained annual on visual health checks. Any visual signs of illness or symptoms will be documented and provided to the parent. In the case of illness we will refer to our policies and procedures on Accidents, Incidents & Medication.

ACCIDENTS:

In the event of an accident a staff member will carry out immediate first aid and parents will be notified. If immediate attention is needed a staff member will contact parents to pick the child up from the center. If medical attention is urgent, 911 will be called and the parent(s)/guardians will be contacted. In the event a parent/guardian cannot be notified, the emergency contact person(s) listed on the emergency contact list as part of your registration packet will be notified.

ILLNESS:

If a child feels ill and cannot participate comfortably in the program, they will be given a quiet place to rest until their parent/guardian can be notified. If your child is sent home ill please do not return until they are 24 hours free of the symptoms.

EXCLUSION FROM THE PROGRAM:

- Excessive diarrhea
- Excessive vomiting
- Excessive green runny noses
- Mouth sores with drooling
- Uncontrollable behavior changes
- Unknown severe rash
- Fever of 100F
- Abnormal breathing (in urgent cases 911 will be called)
- Child cannot deal with symptoms or other signs that the child may be severely ill
- Your child must be symptom free for 24 hours without medication before they may return to the center.
- Children who contract lice must be nit free before they return to the center. They will be checked upon return.
- Any contagious disease requiring medical attention, in which a doctor has restricted the child from being in care, requires a "release to care" from the doctor.

COMMUNICATION WITH FAMILIES – BRIGHTWHEEL APP

At the East Family YMCA's Dillard Early Learning & Youth Academy, we prioritize clear, consistent, and timely communication with families. To support this, we use the Brightwheel app as our primary platform for daily communication, updates, and important announcements.

What is Brightwheel?

Brightwheel is a secure, user-friendly app that allows us to:

- Share real-time updates on your child's day (meals, naps, learning activities, etc.)
- Send photos and videos of your child's experiences
- Notify families of upcoming events, closures, or emergencies
- Send messages between teachers/staff and parents
- Check children in and out of the program digitally

Getting Started

Upon enrollment, families will receive an email or text invitation to join Brightwheel. Once registered, you can download the app to your smartphone and begin receiving updates right away.

Parent Expectations

We ask that all parents:

- Download and regularly check the Brightwheel app
- Enable notifications to stay informed of urgent updates
- Use the messaging feature for non-urgent questions or updates about your child
- Keep your contact information up to date in the app

Brightwheel is our main line of communication for both classroom-specific and center-wide information. If you have an urgent matter, such as changes to pickup arrangements, please call the front desk directly.

We're excited to use Brightwheel to keep you connected to your child's daily experience and to strengthen our partnership with families!

GANG ACTIVITY NOTICE:

The East Branch YMCA is committed to maintaining a safe and nurturing environment for all children and families in our care. In alignment with Alabama state law, we strictly prohibit any form of gang-related activity on or near our premises. Under legislation effective September 1, 2023, Alabama imposes enhanced penalties for criminal acts that are committed in association with criminal enterprises or gangs. This includes mandatory minimum sentences and adult prosecution for individuals 16 years of age or older who are charged with gang-related offenses. The law also applies stricter consequences when firearms are involved.

Although Alabama does not designate official "gang-free zones" as defined in other states, the law reflects a strong stance against gang activity, particularly in areas where children and families gather. Our facility is dedicated to supporting this effort by fostering a safe, positive space for youth development, free from the threat or influence of gangs.

CHILD ABUSE & NEGLECT:

At the YMCA, we believe in fostering a safe, respectful, and supportive environment for all children and families. While we respect each parent's right to discipline their child, physical or corporal punishment is not permitted on YMCA premises, including any YMCA-operated school sites or program locations.

Child Protection and Reporting:

The YMCA takes all concerns or suspicions of child abuse or neglect very seriously. In accordance with Alabama state law, YMCA staff are mandated reporters and are legally required to report any signs of potential abuse or neglect, such as unexplained injuries, bruising, or concerning behavior, to the appropriate authorities, including the Alabama Department of Human Resources (DHR). Please note: Reporting concerns is not intended to place blame or make accusations, but rather to ensure every child is in a safe and nurturing environment.

Supervision and Staff Practices:

YMCA programs are designed to ensure that children are never left alone with a single adult in private areas. Staff are trained on best practices for supervising children, including safe transitions to and from restrooms. The only exception to this policy is in the event of a medical emergency or injury requiring immediate attention.

Training and Prevention:

All YMCA staff receive annual training on child abuse prevention and awareness. This training helps staff recognize warning signs and respond appropriately. Background checks are conducted on all employees, and the facility is equipped with security cameras for added safety and supervision.

Community Partnerships and Resources:

The YMCA collaborates with local agencies, such as the Child Advocacy Center and DHR—to raise awareness and provide support to families in need. If you or someone you know requires assistance, you may contact:

- **Alabama Child Abuse Hotline: 1-800-652-2020**
- **Alabama Department of Human Resources: www.dhr.alabama.gov**

The YMCA will gladly assist families in connecting with the appropriate support services.

Family Involvement and Facility Access:

We maintain an open-door policy, parents are welcome to visit the facility at any time without an appointment. Periodic check-ins and evaluations with families are conducted to ensure a high-quality experience and open communication.

Camera Use:

For training and safety purposes, video monitoring is in place throughout the facility. Due to privacy laws and to protect all children in our care, video footage is not available for parent viewing.

MEDICATION & IMMUNIZATION

MEDICATION:

If your child needs to have medicine dispensed to them during childcare operating hours a Medical Authorization Form must be completed. All medication must be in the original container with the original label, dispensed by the pharmacist. The label must include the amount and time that the medication is to be administered. If the medication is not in its original container it will not be allowed in the center. All staff are trained in Medication Administration for Child Care - a 2-hour course that is designed to help child care providers safely administer medications to children in our child care programs.

IMMUNIZATION, HEARING, AND VISION REQUIREMENTS:

In accordance with the Alabama Department of Human Resources and the Alabama Department of Public Health, all children enrolled in YMCA childcare programs are required to have valid and up-to-date immunization records on file.

Parents or guardians must provide a current Alabama Certificate of Immunization (IMM-50) for each child. This certificate must be signed by a licensed physician or an authorized public health representative and must be updated as immunizations are administered. Religious and medical exemptions must be documented and filed in accordance with state guidelines.

If your child attends a public school and has a current Certificate of Immunization on file with the school, that documentation may satisfy YMCA requirements, provided a copy is submitted to our program.

Required Immunizations Include:

- Diphtheria, Tetanus, and Pertussis (DTaP)
- Polio (IPV/OPV)
- Measles, Mumps, and Rubella (MMR)
- Hepatitis B
- Haemophilus Influenzae Type B (Hib)
- Varicella (Chickenpox)
- Pneumococcal Conjugate Vaccine (PCV)
- Hepatitis A (for children 12 months and older)

The YMCA reserves the right to request updated records at any time to ensure compliance with Alabama health and safety standards. Please speak with your child's healthcare provider if you are unsure about your child's immunization status.

SUNSCREEN

Should your child be required to use sunscreen while participating in the early childhood program, the following procedures MUST be followed in accordance with YMCA policies.

- Keep the sunscreen in the original container, labeled with your child's name
- YMCA staff will apply sunscreen to children under the age of 9 years old.

BUG SPRAY

Should your child be required to use bug spray while participating in the program, the following procedures will be followed in accordance with YMCA policies.

- Keep the insect repellent in the original container, labeled with your child's name.
- YMCA staff will apply bug spray.

MEALS

MEALS AND FOOD SERVICE PRACTICES:

Breakfast, lunch, and an afternoon snack are provided to all children through the USDA Child and Adult Care Food Program (CACFP). No outside foods are allowed to be shared with other children. Please do not bring outside food into the center unless approved by the Director due to severe allergies.

- Breakfast: 8:00am-8:30am
- Lunch: 11:00am-11:30am
- PM Snack: 2:30 PM – 3:00 PM

*Please note that no additional meals will be served after the times listed.

SPECIAL MEALS:

The East Family YMCA proudly participates in the Child and Adult Care Food Program (CACFP) and complies with all Alabama Department of Human Resources and USDA nutrition guidelines.

To ensure your child’s dietary needs are safely and appropriately met, we require a written medical statement from a licensed physician for any food substitutions due to allergies or intolerances. This statement must clearly list:

- The specific food(s) to be avoided
- The medical reason for the substitution
- Appropriate substitute food(s) with comparable nutritional value

While we will make every reasonable effort to provide modified meals for children with documented food allergies or intolerances, families requesting dietary changes based on religious or personal beliefs must submit a written statement and may be asked to provide their child’s meals or snacks.

Food Safety and Allergy Awareness:

- All liquids and foods hotter than 110°F are kept out of children’s reach at all times.
- Staff are trained in allergy awareness and food safety procedures to minimize risk.
- Our program follows strict guidelines to prevent cross-contact and ensure safe meal service for all children.

Nut-Free Policy:

Please note that the East Family YMCA is a nut-free facility. We do not serve or allow any food items containing peanuts or tree nuts in order to protect children with severe allergies.

Outside Food and Special Occasions:

Any food brought into the program to be shared among children (e.g., for birthdays or holidays) must be commercially prepared or made in a kitchen inspected by local health authorities. This is to ensure the highest level of food safety for all participants.

Support for Breastfeeding Families:

To ensure we meet each child’s nutritional needs, we kindly ask that parents provide their child’s formula or milk each day for preschool.

CLASSROOM REQUIREMENTS

CLASSROOM REQUIREMENTS:

- Labeled reusable water bottle for over 12 months • Please provide two additional outfits in case of accidental wetting, etc. Parents must also provide diapers, and pull-ups for non-potty trained children. It is also the responsibility of the parent/guardian to ensure that their child has enough of these items to last them through each week of care.
- Blankets are required for nap times and nap mats for children 12 months - 3 years.
- No stuffed animals, toys, etc. are allowed in the classroom or center.
- For safety reasons, ALL children must wear closed-toed shoes (no sandals, flip flops and/or any shoes or sneakers that have the toes or heels showing are not permitted in the center).
- All personal belongings must be marked with your child's name.
- Parents must sign their child(ren) in and out daily.
- Parents please check your child's cubby daily and take all papers and assignments home with you each day.

FAMILY ENGAGEMENT & VISITATION POLICY

At the East Family YMCA we are committed to building strong partnerships between families, children, and our learning community. Throughout the year, we will host a variety of family engagement events and community activities designed to showcase your child's learning, celebrate accomplishments, and strengthen family bonds.

We invite and encourage all parents and guardians to participate in these events and to stay actively involved in their child's educational journey. Whether you have a special talent to share, want to help with a classroom activity, or join us on a field trip, your involvement is always welcome!

Classroom Visitation

Parents and legal guardians are welcome to visit their child at any time during program hours—no advance notice is required, unless restricted by a court order. We do ask parents to be mindful of how their visit may impact their child, especially if they are still adjusting to the program. Some children experience separation anxiety, and unexpected visits may disrupt their sense of security and routine.

Volunteer Opportunities

We love volunteers! If you are interested in volunteering for special activities, classroom support, or field trips (outside of designated parent-child events), the following steps are required:

- Completion of a YMCA Volunteer Application
- A background check in compliance with YMCA policies and Alabama DHR regulations
- Final approval from YMCA leadership

All required forms must be completed and approved before participating in any volunteer capacity.

Your involvement not only enriches your child's experience, but also helps us build a stronger, more connected YMCA community. We look forward to partnering with you!

PARENT CONFERENCES:

We conduct parent conferences twice a year, once in the spring and once in the fall. Please contact your child's teacher on Brightwheel for additional conference requests.

CHILDREN'S SCREEN TIME PROCEDURE:

Children are not allowed to bring in hand held computers, cell phones, or any electric devices into the center. There is absolutely no screen time for children under 2. Exceptions may be made for special occasions. For children over two; screen time is limited to less than one hour per day (including instructional screen time) for children in full-day programs

OUTDOOR PLAY:

Weather permitting, children have outside time daily. Please make sure to dress your child accordingly. This includes close toed shoes and clothing that your child can run, jump, and play freely in. Children will not go outside on excessively hot or cold days or the threat of severe weather.

TOILET TRAINING PROCEDURE:

Learning to use the toilet is an important step in a child’s development. Readiness to control bladder and bowel functions is as individual as each child. Although there is no definite age when readiness occurs, children around 2 years old often begin to show muscle control and have the language and intellectual maturity to understand the toilet concept. Most children achieve bowel control and daytime urine control by 3 to 4 years of age. As your child enters our Two-Year-Old classrooms and begins expressing interest in toilet training, our Early Learning Staff will actively work with your child to be successful. A cooperative effort between home and the center staff will be most effective. For the first couple of weeks, continue to send diapers and/or pull ups in addition to several sets of clothing. Children will not be permitted to wear underwear in the classroom until the teacher determines they are developmentally ready based on consistent success with toilet use.

Beginning toilet training looks like:

- Transitioning from diapers to pull-ups (that attach at the sides)
- Three sets of clothes and underwear at the center Transitioning
- From pull-ups to underwear

As your child enters the Three-Year-Old classrooms, if not already potty trained, parents and teachers must aggressively pursue toilet training.

Aggressively pursuing toilet training looks like:

- Knows when he/she needs to go to the bathroom and can tell the teachers
- Must be able to wipe themselves independently (with minimal assistance)
- Does not wear a diaper/pull up at school Able to pull their own clothes up and
- down with minimal assistance

Children must be independently potty trained prior to being enrolled in a 3 year old class.

DISCIPLINE PROCEDURE

DISCIPLINE AND GUIDANCE:

Discipline and guidance are provided to help children learn proper social, emotional, and physical guidelines and skills needed to survive in an adult world in the future. Our school believes that discipline is a teaching process and a large part of education. When we discipline, we are teaching appropriate methods of dealing with the social and emotional world that we live in. Discipline is guiding a child to use their own self-control and practicing appropriate words for specific situations.

Our goal is to help each child develop the self-discipline needed to manage him/herself. Therefore, we use the following positive guidance techniques and approaches:

- Age-appropriate expectations that are explained in clear, positive statements
- Environments that are safe and comfortable
- Modeling appropriate behavior
- Setting clear and reasonable limits that protect the child's safety and the rights of others
- Redirecting behavior using positive statements
- Using praise and encouragement of good behavior instead of focusing only upon unacceptable behavior
- Reminding a child of behavior expectations daily by using clear, positive statements
- Taking appropriate steps when behavior is unacceptable using brief supervised separation or self-reflection from the group, when appropriate for the child's age and development.

GUIDELINES:

1. Keep hands, feet, body and objects to yourself.
2. Show respect to staff, others and self.
3. Speak for yourself, not others. 4. Do not willfully destroy YMCA property.
5. Do not go anywhere without a YMCA staff person.
6. Always clean up after activities.
7. Have fun.

If a child is repeating unacceptable behavior, the Parents and Director will be consulted. If these behaviors persist, the Directors and Parents will conference about various options for the child's success. If behavior has not improved:

1. Notice of suspension (1 day) next day of care/without refund.
2. Conference with Director/Teacher/Parent/Child.
3. Removal from the program if behavior is not corrected.

(*Due to the seriousness of the behavior any step can be taken at any time)

My signature verifies I have read and received a copy of the discipline and guidance procedures.

BITING PROCEDURE & ZERO TOLERANCE

BITING PROCEDURE:

Biting is a natural developmental stage that many children go through. It is usually a temporary condition. The safety of our children is our primary concern. Teachers make every effort to prevent biting in the classroom. However, we understand that there needs to be a procedure in place when dealing with this behavior. There will be three levels of biting behavior and the subsequent discipline methods for each listed below.

LEVEL ONE

If a child bites one time, they will be told, "No, biting hurts" and then redirected to another activity. Attention will be given to the injured child.

LEVEL TWO

If a child bites more than once in a day, the same discipline method will be followed each time. In addition, the parent will be required to pick the child up from school. The child may return the next day.

LEVEL THREE

If a child reaches Level Two multiple times, the above methods will be followed. In addition, the child may not be able to return to school the next day. Any child exhibiting level three behavior for three weeks may be dis enrolled. At no time will we share information about the child biting or the child bitten with any other parent other than their own. *An incident report will be written for all involved.

ZERO TOLERANCE BEHAVIORS

1. Inflicting physical harm on another individual.
2. Verbal threats that may cause physical harm to another individual.
3. Verbal threats that may destroy property.
4. Possession of a weapon.
5. Possession of a controlled substance.
6. Possession of alcohol.
7. Use of foul language.
8. Inappropriate touching of another individual.
9. Running away from Staff that poses a safety risk of the child.

The YMCA reserves the right to suspend or expel a child immediately for violation of the Zero Tolerance guidelines, without refund.

When necessary, the YMCA will do everything possible to work with your child including:

- Developmental screenings at the time of enrollment
- Documenting incidents
- Seeking support services from specialists
- Making environmental modifications
- Teaching social-emotional skills
- Engaging in discussions with parents

After relevant preventative measures have been taken, the YMCA can decide to suspend/expel the child from the childcare program if the needs of the child are not being met.

TERMINATION PROCEDURE:

A written notice by the parent or guardian must be presented to the management team at least 2 weeks before ending your child's care. If you terminate care without the appropriate notice, you will be responsible and drafted for payment of the final 2 weeks of care whether or not your child attends.

PARENT ACKNOWLEDGMENT

ACKNOWLEDGMENT:

I acknowledge I have read the YMCA Early Childhood Education Parent Handbook and understand our procedures. I completed a new registration packet with updated household income (for USDA forms) and updated home telephone numbers and emergency telephone numbers that are in working order. I have returned all information to my child's teacher.
