

Adopt-a-Tree

Benefiting the Partners With Youth Campaign for YMCA Camp Chandler

The Montgomery YMCA lives its mission to Build Character, Make a Difference, and Change Lives each day by never turning anyone away who cannot afford a program or service. The Partners With Youth program is the key to delivering on this promise to our community. One of the commitments of YMCA Camp Chandler is that a child will never be left at school because of the inability to pay. The Adopt-a-Tree program is just one of the many ways the funds for The Partners With Youth campaign are raised. The program is simple, classes raise funds with the goal of planting a tree at Camp Chandler for every \$100.00 they raise. This money goes right back to the children, scholarships are available for every class that attends the Outdoor Education Program at Camp Chandler. Money will be raised from Friday, March 17– Friday May 5th. Your participation is an investment in the lives of young people, maybe even a child at your school.
